Application For Employment
Writing Sample**

Name _____ Date _____

It is very important that professional educators be able to express themselves through writing. Please choose one of the topics below and write two or three paragraphs using your best English form.

1. Describe what you think the traits of a good teacher should be.
2. Describe how you would motivate students in your classroom.
3. Describe what is meant by the term "individualizing instruction".
4. Describe the kind of school in which you would like to work.
5. Give your philosophy of education.
